### Rafting Information

Bhotekoshi River is adventurous for whitewater adventure which is a very challenging river for rafting and kayaking. The main branch of Sunkoshi River which flows from Tibet is easily accessed from Kathmandu. Bhotekoshi River Rafting is full of exciting gorges between the mountain valleys. These gorges are dramatically adventurous and rapids are challenging with big bounces. [Himalayan Holyland Treks & Expedition](#) has been selecting Bhotekoshi River as challenging and enjoyable adventure sports in Nepal.

Bhotekoshi River is not so away from Kathmandu therefore easily accessed driving through highway. It is at the distance of 3 hours drive through Araniko Highway to Lamosanghu. The highway is with numerous bents and natural scenarios. Bhotekoshi is itself very challenging river as the roadway view provides while traveling to access point of rafting. The upper Bhotekoshi ends at Barabise and the Lower Bhotekoshi starts at Lamosanghu Dam. Rafting put-in “ the point is at Lamosanghu. [Rafting](#) adventure in this river is challenging because of big water flow in the river. Expert rafters can handle some rapids which are breathe stopping and hair straightening while rafting.

[Bhotekoshi River Rafting](#) is a short adventure trip of 2 days. The flow of the river quickens heartbeat before beginning the rafting and blood freezing adventures while passing through some rapids.
