On our **Pokhara and Bandipur Tour**, travelers shall be escorted to a private tour vehicle by which they travel away from the central Kathmandu valley and make their way to the western hills of Nepal where an ancient yet scenic Nepalese town called Bandipur is situated. It can take us about 4- 5 hours to reach Bandipur from Kathmandu as it is approximately 144 km away. Upon arriving at Bandipur, travelers can witness serene natural beauty of the artistically constructed medieval city buildings and houses which can easily bewilder the minds of the foreign trekkers. This place has been safely hidden away from Kathmandu city which has allowed to keep their sacred temples, monuments, caves and ancestral traditions without being altered or hampered. Once you travel here, you surely will forget about the nasty smell zone of Kathmandu city and breathe in fresh air which revitalize your travel experiences. After enjoying our stay in Bandipur, we are going to take another drive to the famous touristic haven of Pokhara city. Travelers can visit many iconic areas of Pokhara while relishing the mountain views. There are many shops and markets where you can go to buy some exquisite Nepalese souvenirs that can help you remember your trip in Nepal for the rest of your remaining days.
